present
the third annual
South Sound
Women's Boating Seminar
May 19, 2012
Olympia Yacht Club, Olympia, Washington

Olympia Yacht Club

SPONSORSHIP INFORMATION AND OPPORTUNITIES

The seminar provides an opportunity for women boaters to learn more about maintaining and managing boats, power or sail, in order to develop skills and build confidence.

Women are the fastest-growing segment of the boating community. The full-day seminar is a great opportunity for you and your company to connect with this potential customer base by promoting your services and products through sponsorship. Sponsoring businesses will be listed in promotional and program materials, reaching a wide audience of seminar participants—and beyond.

Your generosity ensures lower registration fees for the seminar, so that more women with an interest in boating, including high school students, can explore being on the water with confidence.

Sponsorship levels:

-  Skipper – financial sponsorship greater than \$300 \$ _____
-  Mate – financial sponsorship \$200 - \$299 \$ _____
-  Bosun – financial sponsorship \$100 - \$199 \$ _____
-  Crew – financial sponsorship \$99 and under \$ _____

 Donations of items for door prizes or the registration packet are also encouraged, and will be acknowledged on the seminar website and in the seminar program.

Please list item(s): _____

➤ Please make checks out to South Sound Sailing Society or SSSS. Thank you.
